Ezequiel Dehnike

Software Engineer

Buenos Aires, Argentina ezequieldehnike@gmail.com linkedin.com/in/ezequieldehnike/

Professional profile

Full stack web developer with experience in Next.js, Python, PostgreSQL and Docker. I build modern websites, REST APIs, responsive landing pages and automations. I work with React, Tailwind and relational databases. I focus on clean, functional, tailor-made solutions, and I help my team turn their ideas into digital products with professionalism.

Professional experience

SEIDOR Analytics

Aug 2023 - Present
